

About Brands Ethics Working Group- India

What needs are we aiming to meet!

1. Unifying compliance benchmarks on key compliance issues
2. Establishing a common voice & approach to work with factories
3. Learn from each others' experiences-the creative ways to understand & manage difficult issues
4. To establish understanding at HO level about challenges
5. Develop internal capacities at suppliers' level
6. Involve more stakeholders in CSR debate to bridge barriers and develop consensus
7. Learn from the expertise and experience of other stakeholders - NGOs, TUs, Govt. institutions, consultants.
8. Explore links between CSR and development initiatives, e.g. women empowerment, child rights, work opportunities for persons with physical disability
9. Explore use of media for generating awareness

Needs

- Share factory specific information
- More authority at local level
- To be recognized as main area of function
